

## **Telescript International / Telescript West Software EULA**

The product is protected by Federal Copyright Law. Telescript International retains the title to and ownership of the Product. You are licensed to use this Product on the following terms and conditions:

**LICENSE** - The licensee is defined as the individual or company utilizing the Software Product. Telescript International hereby grants the licensee a nonexclusive license authorizing the licensee to use the installed Product on one computer at a time as specified in the RESTRICTIONS section of this EULA. Please contact Telescript International or its authorized agents if you require additional licenses. Use of this product by more than one individual or by anyone other than the licensee terminates, without notification, this license and the right to use this product.

**RESTRICTIONS:** - You may use this Product in your business. You may freely use and copy the Software in "demo" mode. Use of the "full" version of the Software Product requires a hardware Security Key purchased from Telescript International or its authorized agents. Alternately, the software Computer ID may be registered, and a License Code must be purchased from Telescript International, or its authorized agents. You may not remove any proprietary notices, labels, trademarks on the software or documentation. You may not modify, de-compile, disassemble, reverse engineer or translate the software.

**TERM** - You may terminate your License and this Agreement at anytime by destroying all copies of the Product and Product Documentation. The License and Agreement will also terminate automatically if you fail to comply with any term or condition in this Agreement.

**LIMITED WARRANTY** - This software and documentation are sold "as is" without any warranty as to their performance, merchantability or fitness for any particular purpose. The licensee assumes the entire risk as to the quality and performance of the software. In no event shall Telescript International or anyone else who has been involved in the creation, development, production, or delivery of this software be liable for any direct, incidental or consequential damages, such as, but not limited to, loss of anticipated profits, benefits, use, or data resulting from the use of this software, or arising out of any breach of warranty.
